**IMPORTANT NOTICE:** To be consistent with the manner in which amendments have been processed in the past, the State has opted to issue a complete new document. This approach has been selected in an effort to ensure the clarity of the contract documents during both the “Pre-Award” and “Post Award” phases of this procurement. Prospective bidders should discard the original solicitation document and use this document when preparing their offer.

In an effort to assist your review of the amendment, we have endeavored to highlight changes in yellow. To use this feature, offerors will need to view the electronic version of this document.

Despite our best efforts, there is a chance that a change was inadvertently left unhighlighted. Therefore, offerors are cautioned that they are responsible to review the content of the entire document and cannot rely detrimentally on highlights identifying all changes.

Any information given a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective offerors. (b) The State seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer -- as soon as possible -- regarding any aspect of this procurement, including any aspect of the Solicitation, that unnecessarily or inappropriately limits full and open competition. [02-2A095-1]

### **REJECTION/CANCELLATION (JAN 2004)**

The State may cancel this solicitation in whole or in part. The State may reject any or all proposals in whole or in part. [SC Code Section 11-35-1710 & R.19-445.2065] [02-2A100-1]

### **RESPONSIVENESS/IMPROPER OFFERS (JAN 2004)**

(a) Bid as Specified. Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.

(b) Multiple Offers. Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

(d) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].

(e) Unbalanced Bidding. The State may reject an Offer as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment. ## SUBMITTING CONFIDENTIAL INFORMATION (AUG 2002)

(An overview is available at [www.procurement.sc.gov](http://www.procurement.sc.gov)) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged and confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and hold harmless the State of South

Carolina, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the State withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED". ### III. SCOPE OF WORK/SPECIFICATIONS

The intent of this procurement is to establish statewide contracts for the purchase of Science Education Supplies and Equipment that are used in an instructional forum in school grade levels ranging from kindergarten through the community colleges, but may also be used by other authorized users. Laboratory Equipment and Supplies as may be required by an official operating laboratory, and/or for research and educational purposes in a university setting (undergraduate and graduate level schooling), would normally use the Laboratory Supplies, Equipment and Chemicals term contract. While some of the items included in the resulting contract may be a subset of the larger Laboratory Supplies and Equipment contract, the key discriminator on determining whether the use of this contract is appropriate is the type of institution that is ordering the supplies.

Bids shall be submitted in the form of a discount off distributor's/manufacturer's published price list. Discounts shall apply to the quantity ordered and shall be firm, net, delivered price to the ordering agencies or local procurement units as applicable. **A minimum discount of 10% off distributor's/manufacturer's published price list is required.**

An electronic copy of the current price list must be submitted with the bid (either in MS Excel or PDF format) along with the applicable electronic catalog's representing the bidder's complete applicable product line and shall include at a minimum the following information:

- Catalog Number
- Item Description
- Vendor Name
- MFG's Product Number
- Product or CDC Code
- Unit of Measure
- List Price
- % Discount
- The State's Discounted Price

The prices provided shall be firm from the start date of the contract and extend for a period of nine (9) months through February 15, 2014. Thereafter, the price will remain firm on an annual basis, February through February. Pricing will be firm annually for the full period of the contract, per the Terms and Conditions as set forth under Section VII, B., Special. The contract prices may be subject to increase or decrease during the contract period in accordance with changes which may be made by the distributor in their established, nationally distributed price list or published catalog. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount originally accepted for award shall not be decreased during the contract period. Discount increases are permitted at any time.

If price changes occur to the manufacturer/distributor's published price list and the vendor would like to make a change to the contract once per year as referenced, **pricing must be submitted no later than January 15<sup>th</sup> of each year** to the Procurement Manager referenced on Page One of this document. **Pricing submitted will become effective February 16<sup>th</sup> if**

**approved.** The file must be in MS Excel with the same information required above and should include two copies of new catalog for update. This price list will be posted to the State's website for reference by end using agencies. In addition to the price list provided that will be posted to the State's website, a second copy of the price list must be provided that references 1) the price list in its original form to include pricing information 2) a column showing the new proposed prices and 3) the difference in price from the previous year's price list. **If there is no change in the manufacturer/distributor's published price list, it is not necessary to submit another price list to the State on an annual basis.**

New products in the vendors catalog will be considered for inclusion provided they are pertinent to the contract award and offered to the State under the same terms, conditions and discount structure (or pricing deemed to be reasonable) as in the original bid. The price revisions, new lists or supplements to an original list shall be submitted to the State Procurement Office, Attention: Stacy Adams, CPPB, Procurement Manager, in duplicate, for approval before ordering agencies will be bound to any such revisions. **New products can be incorporated in the file submitted by January 15<sup>th</sup> (referenced above) and mid-year by July 15<sup>th</sup>.**

All items shown in the catalogs and price books will be made available under this contract.

Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Any acquisition pursuant to this clause must be documented by the Procurement Officer in sufficient detail to satisfy the requirements of an external audit. [07-7B010-1]

### FEE FOR ADMINISTRATIVE SERVICES - RECEIPTS - SPO (OCT 2007)

As provided herein, a public procurement unit, by participating in this contract, owes the Materials Management Office (MMO) a Fee for administrative services. A public procurement unit shall pay the Fee directly to Contractor as a part of the contract price. Contractor is responsible for collecting this Fee from participating public procurement units (state and local) and paying the Fee to MMO. The price stated in any offeror's bid or proposal shall include all amounts necessary for Contractor to meet this obligation. Contractor shall factor the Fee into its contract pricing and shall not separately itemize or invoice for the Fee.

(a) **For each Payment Period, Contractor shall pay to MMO a Fee equal to 1.0% of the total dollar amount (excluding sales taxes & adjusted for credits or refunds) received from any public procurement unit by Contractor pursuant to this Agreement.** As used in this clause, the term "Payment Period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any periods less than a full calendar quarter during the term of this Agreement. Payment for each Payment Period must be received on or before the last day of the month immediately following the end of the Payment Period (Example: Payment for the quarterly "Payment Period" of Jan. - Mar. 2004 is due on or before April 30, 2004). Payments are to be mailed to: Materials Management Office, Attn: Contract Admin. Fee, 1201 Main Street, Suite 600, Columbia, S.C., 29201. Payments shall be made to the order of the Materials Management Office. If the amount due for a Payment Period is less than \$10.00, no payment is required.

(b) **Contractor shall submit a Usage Report for each Payment Period, even if no payment is due for the Payment Period.** The Usage Report shall include any information requested by MMO to verify the amount due. At a minimum, each Usage Report shall reflect the following information for the applicable Payment Period: contractor's name, contract number, contract description, Payment Period/quarter, Total Dollar Value of Invoice Payments Received (excluding sales taxes and showing any adjustments for credits or refunds), Total Number of Units (if practicable), and the number, date, and amount of Contractor's check to MMO. The MMO procurement officer may require the Contractor to provide a separate, more detailed usage report. Should this be necessary, the procurement officer will work directly with the contractor to determine the appropriate content and format of the separate report. Separate reports may be required on a quarterly basis.

(c) During the term of this Agreement and for a period of three years thereafter, MMO, its auditors, or other authorized representatives shall be afforded access at reasonable times to Contractor's accounting records in order to audit all records relating to goods sold or work performed pursuant to this Agreement. If such an audit indicates that Contractor has materially underpaid MMO, then Contractor shall remit the underpayment and reimburse MMO for all costs of the audit.

(d) All amounts that become payable by the Contractor to MMO under this Agreement shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the highest prime rate (as published in The Wall Street Journal) plus 2% per annum (unless a higher rate is provided by law, but in no event be greater than the maximum interest rate permitted by law), shall be variable, and shall be adjusted effective at the close of business on the day of any change in the prime rate.

(e) In the event the Contractor fails to make any payment when due, Contractor shall be liable to MMO for all expenses, court costs, and attorneys' fees (including inside counsel) incurred in enforcing the terms and conditions of this Agreement.

(f) Failure to pay any amount due pursuant to this clause may result in the Contractor's debarment pursuant to Section 11-35-4220 of the South Carolina Code of Laws, as amended.

(g) For purposes of this clause, MMO is intended as a third-party beneficiary of this Agreement. The phrase "public procurement unit" is defined by Section 11-35-4610(5) of the South Carolina Code of Laws, as amended.

**NOTICE: The administrative fee created by this clause is calculated against receipts. After a contract has been awarded, contractor may elect to calculate the administrative fee against sales. To effect this election, a change order must be executed. The change order will substitute a different administrative fee clause for this one. The alternate clause is available for review upon request and may be found at [www.ogs.state.sc.us/DDP/terms/](http://www.ogs.state.sc.us/DDP/terms/). Any election must be made within thirty (30) days of final award. If you wish to make this election, contact the procurement officer identified on the cover page of this solicitation.**

## **CHANGES (JAN 2006)**

(1) Contract Modification. By a written order, at any time, and without notice to any surety, the Procurement Officer may, subject to all appropriate adjustments, make changes within the general scope of this contract in any one or more of the following:

- (a) drawings, designs, or specifications, if the supplies to be furnished are to be specially manufactured for the [State] in accordance therewith;
- (b) method of shipment or packing;
- (c) place of delivery;
- (d) description of services to be performed;

(2) Adjustments of Price or Time for Performance. If any such change increases or decreases the contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the State promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.

(3) Time Period for Claim. Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the State is prejudiced by the delay in notification.

(4) Claim Barred After Final Payment. No claim by the contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

[07-7B025-1]

## **CISG (JAN 2006)**

No sales may be made pursuant to this contract for any item or service that is not expressly listed. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this contract and may subject contractor to suspension or debarment. [07-7B045-1]

## **DEFAULT (JAN 2006)**

(a) (1) The State may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to:

- (i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
- (ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause); or
- (iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).

(2) The State's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement Officer specifying the failure.

(b) If the State terminates this contract in whole or in part, it may acquire, under the terms and in the manner the

Procurement Officer considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the State in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Contractor.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule.

(e) If this contract is terminated for default, the State may require the Contractor to transfer title and deliver to the State, as directed by the Procurement Officer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this clause) that the Contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the Contractor shall also protect and preserve property in its possession in which the State has an interest.

(f) The State shall pay contract price for completed supplies delivered and accepted. The Contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the Contractor's rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the Procurement Officer determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.

(g) If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the termination had been issued for the convenience of the State. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the State, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor's rights under the Disputes clause.

(h) The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or under this contract.

## **ESTIMATED QUANTITY -- UNKNOWN (JAN 2006)**

The total quantity of purchases of any individual item on the contract is not known. The State does not guarantee that the State will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information. [07-7B095-1]

Any adjustment in the contract price made pursuant to a clause in this contract shall be consistent with this Contract and shall be arrived at through whichever one of the following ways is the most valid approximation of the actual cost to the Contractor (including profit, if otherwise allowed):

- (a) by agreement on a fixed price adjustment before commencement of the pertinent performance or as soon thereafter as practicable;
- (b) by unit prices specified in the Contract or subsequently agreed upon;
- (c) by the costs attributable to the event or situation covered by the relevant clause, including profit if otherwise allowed, all as specified in the Contract; or subsequently agreed upon;
- (d) in such other manner as the parties may mutually agree; or,
- (e) in the absence of agreement by the parties, through a unilateral initial written determination by the Procurement Officer of the costs attributable to the event or situation covered by the clause, including profit if otherwise allowed, all as computed by the Procurement Officer in accordance with generally accepted accounting principles, subject to the provisions of Title 11, Chapter 35, Article 17 of the S.C. Code of Laws.

(2) Submission of Price or Cost Data. Upon request of the Procurement Officer, the contractor shall provide reasonably available factual information to substantiate that the price or cost offered, for any price adjustments is reasonable, consistent with the provisions of Section 11-35-1830.

## **PRICE ADJUSTMENT - LIMITED -- AFTER INITIAL TERM ONLY (Modified)**

Upon approval of the Procurement Officer, prices may be adjusted for any renewal term. Prices shall not be increased during the initial term. Any request for a price increase must be received by the Procurement Officer **at least ninety (90) days prior to the expiration of the applicable term no later than January 15<sup>th</sup> of each year** and must be accompanied by sufficient documentation to justify the increase. If approved, a price increase becomes effective starting with the term beginning after approval. A price increase must be executed as a change order. Contractor may terminate this contract at the end of the then current term if a price increase request is denied. Notice of termination pursuant to this paragraph must be received by the Procurement Officer no later than fifteen (15) days after the Procurement Officer sends contractor notice rejecting the requested price increase. [07-7B165-1]

**This is a firm fixed price term contract. It is the intent of the Materials Management Office to maintain the bid price for the initial term (9 months). Thereafter, the price will remain firm on an annual basis, February through February, annually for the full period of the contract. Offerors are encouraged to secure pricing from the manufacturers accordingly. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount originally accepted for award shall not be decreased during the contract period. Discount increases are permitted at any time.**

**If price changes occur to the manufacturer/distributor's published price list and the vendor would like to make a change to the contract once per year as referenced, pricing must be submitted no later than January 15<sup>th</sup> of each year to the Procurement Manager referenced on Page One of this document. Pricing submitted will become effective February 16<sup>th</sup> if approved.** The file must be in MS Excel format with the same information required in Section III and should include two copies of new catalog for update. The price adjustment clause is included so the Materials Management Office may consider a price increase in unusual market conditions.

## **PRICE ADJUSTMENTS -- LIMITED BY PPI (JAN 2006)**

Upon request and adequate justification, the Procurement Officer may grant a price increase up to, but not to exceed, the unadjusted percent change for the most recent 12 months for which data is available, that is not subject to revision, in the Producer Price Indexes (PPI) for the applicable commodity, as determined by the Procurement Officer. The Bureau of Labor and Statistics publishes this information on the web at [www.bls.gov](http://www.bls.gov) [07-7B180-1]

If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in a accordance with the standards of Uniform Commercial Code Section 2-706. termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. (c) Absent complete agreement under Subparagraph (b) of this Paragraph, the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under Subparagraph (b) shall not duplicate payments under this Subparagraph:

(ii) costs reasonably incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;

(iii) reasonable costs of settling and paying claims arising out of the termination of subcontracts or orders pursuant to Paragraph (2) of this clause. These costs must not include costs paid in accordance with Subparagraph (c)(ii) of this paragraph;

(iv) any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this Subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the amount of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under Subparagraph (b) of this Paragraph, and the contract price of work not terminated.

(5) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not (i) affect the state's right to require the termination of a subcontract, or (ii) increase the obligation of the state beyond what it would have been if the subcontract had contained an appropriate clause.
